Declaration REACH 1907/2006, SVHC Candidate List as of 17 January 2021
Confirmation of RoHS compliance (directive 2015/863/EU)
Confirmation of CMRT compliance (directive CMRT, Rev. 6.10)

Dear Sir or Madam,

The company W.A.G Funktion + Design GmbH, as a manufacturer of products as defined by REACH, is a „downstream user“. The products you purchase from us are not under any obligation to register as defined by REACH. Altogether, the chemical material containing in our products are either:

- already registered by our suppliers, in case of being compulsorily registrable
- or they are expulsed by the regulations of REACH attachment V, point 7 (guidelines for attachment V, Ref. # ECHA-10-G-02-EN)

Furthermore, according to the article 33 of the REACH regulation we are liable to mandatory information towards our customers if one of our products contains a substance of very high concern (SVHC) in a mass concentration of more than 0,1 % (see <http://www.echa.europa.eu/web/guest/candidate-list-table>).

We hereby confirm that:

- no substance of the Candidate List contained in our products does exceed a quantity of more than 0,1%,
- we are in close contact with our suppliers and would immediately advise in the case a raw material contained in our product is added to the Candidate List,
- in accordance with the REACH Regulation (1907/2006 / EC) Annex XVII, the articles of W.A.G Funktion + Design GmbH comply with the limit values prescribed by the EU.
- no hazardous material according to the directive of 2015/863/EU (RoHS) is contained.
- no conflict minerals according to the directive of CMRT Rev. 6.10 is contained.

We apologise for the circumstances that due to the number of enquiries we have received and the complexity of each questionnaire we are unable to reply to each individual request. We appreciate your understanding in this matter and trust that this letter will be sufficient in meeting your concerns.

Yours sincerely

W.A.G Funktion + Design GmbH
