***Declaration REACH 1907/2006, current SVHC Candidate List
Confirmation of RoHS compliance (directive 2011/65/EU & 2015/863/EU)
Confirmation of CMRT compliance (directive CMRT, current revision)
Confirmation of POP-Regulation (EU) 2019/1021***

Dear Sir or Madam,

The company W.AG Funktion + Design GmbH, as a manufacturer of products as defined by REACH, is a „downstream user“. The products you purchase from us are not under any obligation to register as defined by REACH. Altogether, the chemical material containing in our products are either:

- already registered by our suppliers, in case of being compulsorily registrable
- or they are expulsed by the regulations of REACH attachment V, point 7 (guidelines for attachment V, Ref. # ECHA-10-G-02-EN)

Furthermore, according to the article 33 of the REACH regulation we are liable to mandatory information towards our customers if one of our products contains a substance of very high concern (SVHC) in a mass concentration of more than 0,1 % (see <http://www.echa.europa.eu/web/guest/candidate-list-table>).

We hereby confirm that:

- no substance of the Candidate List contained in our products does exceed a quantity of more than 0,1%,
- we are in close contact with our suppliers and would immediately advise in the case a raw material contained in our product is added to the Candidate List,
- in accordance with the REACH Regulation (1907/2006 / EC) Annex XVII, the articles of W.AG Funktion + Design GmbH comply with the limit values prescribed by the EU.
- no hazardous material according to the directives of 2011/65/EU & 2015/863/EU (RoHS) is contained.
- no conflict minerals according to the directive of CMRT is contained.
- no hazardous substances within the meaning of the POP Regulation (EU) 2019/1021 are included.

Thank you for your understanding that, for legal and formal reasons, we are unable to complete individual customer forms. In the event of a violation, we will immediately contact our suppliers. This letter remains valid until further notice.

Yours sincerely

W.AG Funktion + Design GmbH
